First, complete the Sales Information for your most recent fiscal year.

Membership dues shall be based on the annual sales of the member. Where a Member is a subsidiary of a parent company owning a majority interest (more than 50%) in the Member, or the Member is included in the consolidated financial statements of the parent company, the Member must include sales of the parent company in its dues calculation and the parent organization shall be considered to be the Member. If the Member is itself a separate legal entity, then membership must be based on that entity alone, and its dues shall be calculated on its own annual sales revenues. Second, refer to the dues calculation scale below to determine your Conexxus membership dues.

Note: Sales figures are confidential and used only for the purpose of dues calculation.
